

Dear _____

Thank you for participating in the **COPE Study** – *Congestive Heart Failure Outreach Program of Education*.

Here are a few reminders about the study:

- record any visits to the emergency room in your COPE diary.
- record any hospitalizations in your COPE diary.
- watch the video again! Invite your family & friends to do so also.
- three newsletters about managing your heart failure will be sent to over the next 6 months. Please read them and see your doctor if you any questions.
- the study coordinator will phone in 6 months.

Thanks again for supporting this project.

Sincerely,

Study Coordinator
