PR_xOACT Initiative

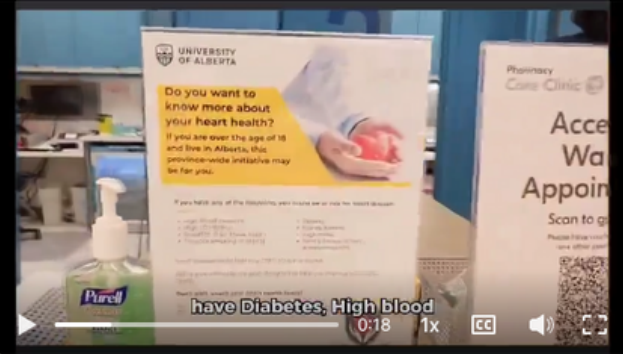

WELCOME BACK!

We hope you had a wonderful holiday season. We're launching into the new year with exciting updates on the PR_xOACT Initiative!

First, we featured how our **patient partners co-designed the PR_xOACT Initiative** at the AbSPORU Bed to Benchside Symposium in December 2024.

 **Sheril Daniel** • 1st
Associate/Owner Shoppers Drug Mart Stony Plain
1mo • Edited • 

We are proud to partner with the University of Alberta in a Province-wide initiative to improve Heart Health in Albertans led by [Shania Liu](#) et al. with a goal to determine the impact of Pharmacist-led interventions on the estimated risk for major cardiovascular events in our patients compared with usual care. We are confident that as Community Pharmacists, we play a far-reaching role in the improvement of healthcare in Alberta and excited to see this demonstrated in a study! Our Team is thankful to Pharm D student [Jeremy Kaczor](#) who is currently leading this study in our Pharmacy as part of his practicum.

MVP OF THE MONTH

Sheril Daniel & Team
(Stony Plain Shoppers Drug Mart)

Have recruited **19** patients and shared the PR_xOACT Initiative on social media!

Here are her tips on getting involved:

1. Get help from your students, pharmacy assistants, & Clinic Concierge!
2. Focus on patients coming in for A1C or lipid point-of-care testing & vaccines.
3. Print out our [PR_xOACT Posters](#) in colour and display around the pharmacy.

Enrollment Update

Since launching:

87

patients have been enrolled in this trial!

Keep up the great work!
Aim to enrol **1-2 patients per week**.

PR_xOACT TOP-UPS

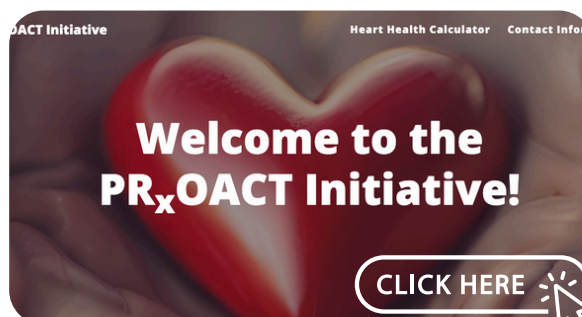

We value the time and resources you are investing to improve your patients' cardiovascular outcomes.

As such, we are providing top-up reimbursements for the patients you see as a part of the PR_xOACT Initiative.

Read about the PR_xOACT **Reimbursement Dashboard** here!

Have you seen our new website?

We've designed a website for patients to learn more about the PR_xOACT Initiative. It includes a Heart Health Calculator for patients to see their own risk of a heart attack or stroke. Click on the image on the right to read more!

HAVE YOU SIGNED ONTO THE PR_xOACT CARE PATHWAY?

To start **making a difference** in your patients' cardiovascular health, **log into the PR_xOACT Care Pathway** here and book your patients in today!

Reminder: you need to join a training session OR an Investigators Launch Meeting before your login to the Care Pathway is activated.

Join our next Investigators Launch Meeting on January 21st at 9am MST!
